* "AllConnect Referrals to EGS – Accepted" differs from "DLC Enrollments" due to several factors, including (1) difference in date of AllConnect referral date and EGS enrollment; and (2) EGSs do not enroll all referred customers"

**DLC had no SOP providers beginning June 2022; these residential enrollments were from May, but were not entered by suppliers until June.

¹ PECO does not track, by rate class, the calls transferred from its CSRs to Allconnect's CSRs ("referrals").

² As of April 2015, PECO no longer offers a web function for enrollment in the SOP. The "Enrollments" listed aboive are customers that were referred and agreed to be in the Standard Offer Program.

³ Until March 15, 2015, in order to participate in PECO's SOP, an EGS must agree to serve both Res. and Small Comm. Effective beginning 3/15/15, EGSs were given the ability to serve either Res. or Small Comm. or both.

August 2019: PECO changed vendors for the PSEC Referral Process. The effective start date for Kandela was 8/12/19 and the effective end date for Allconnect was 8/15/19.
